Baseball Concession Volunteers Needed

The Spring sports season is upon us. We are in need of volunteers to work concessions at both varsity and sophomore home baseball games.

Sign up emails will be sent in mid-March. Consider signing up for a shift or two and earn dollars for your designated sport program. For every shift you work the Boosters will donate \$10 back to the sport of your choice.

Oswego's Huntington Learning Center Partners with Boosters

The All Sports Boosters and Huntington Learning Center recently partnered to offer a discounted rate for practice SAT tests for students. Huntington donated \$25 of the \$50 administration fee back to the Boosters. Thanks to all who took advantage of the special offering and to Huntington for the generous donation of \$400.
